(See website for event details and times.)

What products/service/food/beverage will you be selling?

--

As you know, the Graeagle Independence Day Weekend operates solely on the generosity of donations. Our hope is that we can continue to host this great event as a benefit to both the community and our fantastic vendors.

If serving alcohol, vendor must provide ABC liquor license, certificate of insurance with a liquor liability policy.

Vendors may not sell products that duplicate local Graeagle Merchants or each other. We'd like a variety of vendors and for them to not compete with one another.

**Please note, this year the sale of any food/beverage or products can only be sold until 7PM. There will be no sales immediately before or during the fireworks. Thank you for understanding.*

General Information:

Booth size: 10'x10' designated space. Vendors to provide their own tent, table & chairs.
